## **Bureau of Air Quality AIR-Construction Permit Department Decision**

**Valara Holdings High Performance Compute Center  
4000 S Pine Street  
Spartanburg, South Carolina 29302**

In accordance with the 1976 Code of Laws of South Carolina, as amended, including S.C. Code Section 48-6-30(C), a Department Decision has been made to issue Permit No. CP-50000316 v1.0 to the above-named permittee. This permit was previously placed on public notice and open for public comment from July 18, 2025, through August 16, 2025. Adverse public comments were received by SCDES during the comment period. Comments received during the formal comment period have been addressed in SCDES's *Responses to Comments on Air Quality* document attached to this Department Decision. SCDES's decision to issue this permit has been made after consideration and a complete review of the following: the air permit application, applicable state and federal air quality regulations, comments received within the required time frame, and all other pertinent information.

This Department Decision includes the following: a) the issued permit which meets the requirements of all applicable air quality regulations; b) a summary of the project, permit, and applicable regulations as outlined in the Statement of Basis; and c) a summary of the comments made by concerned citizens regarding the proposed project and permit and responses by the Bureau of Air Quality, as outlined in the *Responses to Comments on Air Quality*. This Department Decision will be included in SCDES's administrative record for this permit decision.
