**Luck Stone Corporation - Luck Edgefield
RD 659D (Temporary Address as no physical address has been designated yet)
Clarks Hill, South Carolina 29821**

In accordance with the 1976 Code of Laws of South Carolina, as amended, including S.C. Code Section 48-6-30(C), a Department Decision has been made to issue Permit No. CP-50000187 v1.0 to the above-named permittee. This permit was previously placed on public notice and open for public comment from July 3, 2024, through August 23, 2024. A public hearing was held by SCDES's Bureau of Air Quality on August 8, 2024, to receive oral and written comments on the proposed project. No public comments were received by SCDES during the permitting process/comment period. SCDES's decision to issue this permit has been made after consideration and a complete review of the following: the air permit application, applicable state and federal air quality regulations, the public hearing transcript, and all other pertinent information.

This Department Decision includes the following: a) the issued permit which meets the requirements of all applicable air quality regulations; and b) a summary of the project, permit, and applicable regulations as outlined in the Statement of Basis. This Department Decision will be included in SCDES's administrative record for this permit decision.
