Groundwater Delineation Report dated June 23, 2017
Bamberg County
VCC #13-4762-RP
File #51778 (Former Site ID #02211)

Dear Ms. Coombs:

The Department has reviewed and approves the Groundwater Delineation Report. The Department concurs with the recommendation to continue semi-annual groundwater monitoring which shall include the newly installed monitoring wells and to perform additional assessment of the deep aquifer on the southeast and southern edges of the plume. Please submit a work plan for further delineation, to my attention, on or before August 15, 2017.

Please feel free to contact me at (803)898-0722 or at walkeras@dhec.sc.gov with any questions or comments. Please reference File #51778 on all future correspondence.

Sincerely,

Addie Walker, Project Manager
State Voluntary Cleanup Section
Bureau of Land and Waste Management
