RE: Delavan Spray Technologies Site  
Bamberg County  
File #51778

High Resolution Source Characterization Report dated March 9, 2021

Dear Ms. Collins,

The South Carolina Department of Health and Environmental Control (Department) has reviewed and approves the *High Resolution Source Characterization Report* dated March 9, 2021 for the Delavan Spray Technologies site located in Bamberg, South Carolina. Delavan recommends using the assessment data generated to update the conceptual site model and prepare a work plan to evaluate remedial approaches for the site.

The Department agrees with the recommendation and requests a meeting to discuss the path forward. Please contact me to schedule a meeting. If you have any questions, please contact me at (803) 898-0816 or [devlincl@dhec.sc.gov](mailto:devlincl@dhec.sc.gov).

Sincerely,

Cynde L. Devlin, Project Manager  
State Voluntary Cleanup Program  
Bureau of Land and Waste Management
