File #51778

Off-Site Feasibility Study (FS) Work Plan Approval letter dated August 21, 2023

Dear Mr. McLeod,

The South Carolina Department of Health and Environmental Control (Department) has reviewed and approves the *Off-Site Feasibility Study (FS) Work Plan Approval Letter* dated August 21, 2023, for the Delavan Spray Technologies Site located in Bamberg, South Carolina.

Because the field work proposed to support Off-Site FS data needs is season dependent, the Off-Site Feasibility Study should be submitted to the Department on or before December 15, 2024. Proposed locations for groundwater/surface water interface sampling should be submitted to the Department prior to sampling activities.

If you have any questions, please contact me at (803) 898-0816 or devlincl@dhec.sc.gov.

Sincerely,

Cynde L. Devlin, Project Manager
State Voluntary Cleanup Program
Bureau of Land and Waste Management
