What are Councils of Governments?

Councils of Governments (COGs) are partnerships of – and provide resources to – the local counties, cities, and towns in their regions. In addition to local and regional partnerships, COGs partner with numerous federal and state agencies, obtaining and administering grants for a variety of community-based programs and economic development initiatives.

COG planning efforts

- 208 Water Quality Management
- Drought Response Committee
- River Basin Councils and WaterSC
- Land Use and Comprehensive Plans
