Approval of Odor Abatement Plan

Re: ePermitting Submittal # HQH-BHGQ-RMV4R
Barnwell Resources Class 2 Landfill – Permit # 072410-1201
Beaufort County

Dear Mr. Abell:

The Department received the above referenced Odor Abatement Plan on November 24, 2025. The plan calls for placement of additional soils and grading activities to mitigate odor associated with hydrogen sulfide. After review, the Department approves the provided plan. The facility shall email the Department at the email address below each Thursday to provide updates regarding activities performed.

If you have any questions regarding this letter, please contact me at (803) 898-1339 or justin.koon@des.sc.gov.

Sincerely,
