Instructions for completing DHEC 0814B (AUT)

Title: Authorized User Training and Preceptor Attestation

Purpose: For the requesting individual to provide information on his/her training and experience in order to obtain authorization to administer radioactive material under RHA 4.40.

Instructions:

Part I: Training and Experience

Please complete each section that will document the individuals training and experience for which authorization is sought.

Part II: Preceptor Attestation

This section must be completed by the individual's preceptor. The preceptor does not have to be the supervising individual as long as the preceptor provides, directs, or verifies training and experience required. If more than one preceptor is necessary to document experience, obtain a separate preceptor statement from each.
