

REDUCE REUSE RECYCLE

while social distancing

learn!
 Watch a recycling presentation online. For more information, visit www.takeactionsc.org. Resources for reducing, reusing, recycling and composting are available.

WEAR A MASK in public places.

compost at home!
 It's nature's way to recycle. Learn more at www.scdhec.gov/compost.

reduce more waste!
 Tell your favorite restaurant NOT to include paper napkins and plastic utensils in your carry-out orders. Instead, use the silverware and cloth napkins you have at home.

recycle right!
 Flatten and recycle all of those cardboard boxes from your home deliveries. Learn more at www.scdhec.gov/recycle.

This poster is presented by the **Take Action SC Partnership** – a group of stakeholders committed to working together to help others take action. Members of this partnership are listed below.
