**Grady** makes sure the right recyclables go in his family's bin. Visit [scdhec.gov/recycleheresc](http://scdhec.gov/recycleheresc) for a list of material collected in your local recycling program.

**Daisy** loves shopping and buying **recycled-content products** (like her stylish collar). She wants to remind you to take reusable bags to the store when you shop.

**Are your recyclables collected curbside or at a local recycling center?** **Reese** knows when and where to take her family's recyclables. Contact your local recycling coordinator for details.

# RECYCLING IS DOG-GONE GOOD!

Yeah. These dogs are cute, but they're smart about recycling, too. There's no bones about it. Recycling is dog-gone good for South Carolina's environment and economy.
