

DAM BREACHES

Oct. 9, 2015 Update:

DHEC teams are currently assessing many Class One and Class Two dams statewide as a precaution after last weekend's historic rains and flooding.

As part of this proactive assessment, DHEC teams uncovered four unreported breaches today in Richland County at:

- Pinewood Lake Dam
- Covington Lake Dam
- Murray Pond Dam
- Wilson Millpond Dam

The breaches likely occurred days ago. **There is no risk to public safety from any of these breaches.**

The full dam status list below will continue to be updated on our website as DHEC field teams complete these assessments.
