The following screen will have a list of permits for the sites.

To find the Notice of Intent application, click **1: 'Water - Private Wells'** in the program area dropdown menu and **2: 'Begin Submission'**.

The D-1903 Form is available in case you are abandoning a well that doesn't have a permit.

The screenshot shows the 'Start a New Form' interface. At the top, there are buttons for 'Start a New Form', 'View All Apps, Requests and Reports', and a blue button with an information icon that says 'Find and submit a new application or service request from this screen.' Below these are two search filters for 'Form Name' and 'Form Description'. The main table has three columns: 'Form Name', 'Form Description', and 'Program Area'. The 'Program Area' column has a dropdown menu with 'Water - Private Wells' selected, circled in red with a red '1' next to it. The first row of the table has 'Private Wells - Notice of Intent to Construct an Individual Residential Or Irrigation Well (D-3647)' in the first column, 'Use this form to submit an application to construct an individual irrigation well under General Permit # SCW00000000.' in the second column, 'Water - Private Wells' in the third column, and a 'Begin Submission' button circled in red with a red '2' next to it. The second row of the table has 'Water Well Record D-1903' in the first column, 'Water Well Record D-1903' in the second column, 'Water - Private Wells' in the third column, and a 'Begin Submission' button. On the left side, there is a navigation menu with items: Home, Dashboard, Notifications, Contacts List, Apps, Requests and Reports (highlighted in orange), Permits, Violations, Compliance and Enforcement Actions, Financials, and Documents.

To begin submission of the NOI, a site must be created. This site should be named after the home owner, housing development, or facility that will be purchasing the well.

Please note that **each site should only have one well.**

If multiple wells will be installed at the same address or for the same owner, please create a new site and indicate the well number in the site name. Once the site has been named, click '**Begin Submission**'.

Private Wells - Notice of Intent to Construct an Individual Residential Or Irrigation Well (D-3647)

VERSION 1.7

INSTRUCTIONS

This Notice of Intent (NOI) must be completed properly with the appropriate fee attached in order to construct a new or replacement individual residential well or irrigation well. Submitting a completed NOI with payment attached is preferred. Please do not mail cash.

Submitting the NOI with payment is Step One of the permitting process; construction of the well can begin 48 hours (excluding weekends and state holidays) after SCDHEC's receipt of the NOI. Step Two in the process is providing the Department 48 hours (excluding weekends and state holidays) prior notice of well installation. Steps One and Two can be completed at the same time. The NOI may be completed by the well owner, well driller, or the owner's agent.

KEEP a COPY of the NOI; when the 48 hour (excluding weekends and state holidays) prior notice is given, obtain the permit number from SCDHEC and put the number after 'SCW' in the spaces provided.

VALIDATE ADDRESS

Can search by name or certification number.

In the **'Site Information'** section, the **'Well Identification Name'** is generated based on the site's name.

Please include the **'Proposed Start Date'** if known (this can be updated later on if needed).

Enter the address of where the well will be installed (you can click **'Validate Address'** to check for typos). If it is the same as the owner's mailing address, use the **'Contact Auto-fill'**.

If no address exists, please indicate a road name on the address line (with a lot number, if applicable).
Any additional information can be added in the **'Location Description'**.

The screenshot shows a web form for well installation. On the left is a vertical navigation menu with five steps: 'Well Owner' (checked), 'Well Driller Information OPTIONAL' (checked), 'Site Information' (selected), 'Review', and 'Certify & Submit'. The main form area contains the following fields:

- Well Identification Name:** A text box containing "John Smith - Well #2".
- Proposed Start Date:** A date picker showing "mm/dd/yyyy".
- Well Address:** A dropdown menu with "Contact Auto-fill" selected. A red arrow points to this dropdown with the text: "Use if well address is the same as the owner's mailing address."
- ADDRESS:** A section with three sub-fields:
 - Address Line 1:** A text box containing "Main St - Lot #30".
 - Address Line 2:** An empty text box.
 - City:** A text box containing "Elgin".
 - State/Area:** A text box containing "SC".
 - Postal Code:** A text box containing "29045".A "VALIDATE ADDRESS" button is located below these fields.
- Location Description:** A text box containing "TMS# 00-00-00-000". A red arrow points to this box with the text: "This can be a parcel ID or any directions/information to help locate the well."

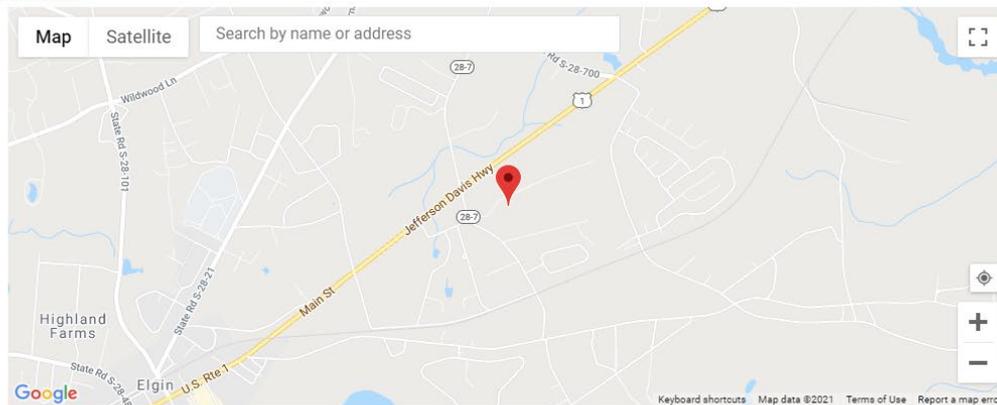

Enter the address of the well into the map's search bar to generate the location coordinates (these coordinates can be updated later by submitting a 1903 form electronically).

If no address exists, then you can click on the map at a point closest to where the well will be installed in order to place a pin that will also generate the location coordinates.

Determine the **'Well County'** and **'Well Type'**. There is also optional check boxes to determine if this is a replacement or emergency well.

This is the **'Certify and Submit'** section. Please read through this section before submitting the form.

Once you are ready, click the **'Submit Form'** button to submit the form to DHEC.

You can also click the **'Save and Exit'** button if needed.

The screenshot shows the 'Certify & Submit' section of a form titled 'Private Wells - Notice of Intent to Construct an Individual Residential Or Irrigation Well (D-3647)'. The form is currently on the 'Certify & Submit' step, which is highlighted in the left-hand navigation menu. The main content area contains instructions and a certification statement. At the bottom, there are two buttons: 'FINALIZE SUBMISSION Submit Form' (circled in red) and 'FINISH LATER Save and Exit'. The top right corner shows a 'SAVE PROGRESS' button and a timestamp 'Last saved a few seconds ago'. The top left corner has an 'EXIT FORM to Home' button. The top center shows the form title and version information. The top right shows a 'Calculated Fee Computed at Payment' button. The left-hand navigation menu includes 'Well Owner', 'Well Driller Information OPTIONAL', 'Site Information', 'Review', and 'Certify & Submit'. The main content area has a 'PREVIOUS SECTION Review' button at the top left. The text in the main content area reads: 'This step allows you to certify the form as complete and accurate and to submit the form to DHEC for review and processing. At the time of submission, it will be transmitted to DHEC and it will become part of the public record. Please note: Any work you perform filling out a form will not be accessible by DHEC staff or the public until you actually submit the form in the 'Certify & Submit' step. I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment.'

Upon submitting the form, this screen provides the payment options. Click **'Pay Online'** to complete the application
Applications will be processed by DHEC only when payment has been received

If you have multiple permits to submit, you can click **'Pay by Mail'** and pay for all the applications together once each NOI has been submitted (see *'Paying Invoices Online'* in ePermitting training).

Once the payment option has been selected, you can either **'View the Submission'** or **'Return to Home'**.

The screenshot shows a web application interface for submitting a permit. The main content area is a white modal window titled "Submission Received". It contains the following information:

- Submission Received** (with a "Print" button)
- Submission details: "Private Wells - Notice of Intent to Construct an Individual Residential Or Irrigation Well (D-3647)", "Submission HP9-7D62-SZ90N", "Revision 1", "Form Version 1.4". A yellow "AWAITING PAYMENT" tag is present.
- Confirmation text: "Your submission has been received. It is recommended to [print](#) and retain a copy of this confirmation."
- Payment Required to Complete Submission** section:
 - Make checks payable to SC DHEC
 - Submission Fees table:

Fee	\$50.00
Total Due	\$50.00
- Payment options: "Pay Online" (circled in red) and "Pay by Mail". A red arrow points to "Pay by Mail" with the text "Use if you need to pay for multiple invoices."

The background shows a sidebar with steps: Well Owner, Well Driller Information (OPTIONAL), Site Information, Review, and Certify & Submit. The top navigation includes "EXIT FORM to Home", "Private Wells - Notice of Intent to Construct an Individual Residential Or Irrigation Well (D-3647)", "Calculated Fee", and "SAVE PROGRESS".

Once the application has been submitted and processed, you may complete schedules to change the proposed start date, request a variance, or submit the 1903 Form. ***These schedules are optional***

To start a schedule, click **1: 'Apps, Requests and Reports'** and **2: 'New and Draft Assigned Forms'**.

Tip: the schedules will also show up in the **'Dashboard'** section under **'As Needed'**.
